How to install Freethought TV on your Roku TV or Roku Stick

Step One:

Go to your Roku home screen and select Streaming Store from the menu on the left.

Step Two:

In the Streaming Store, scroll down and select **Search**.

Step Three:

Type “Freethought TV” in the search box.

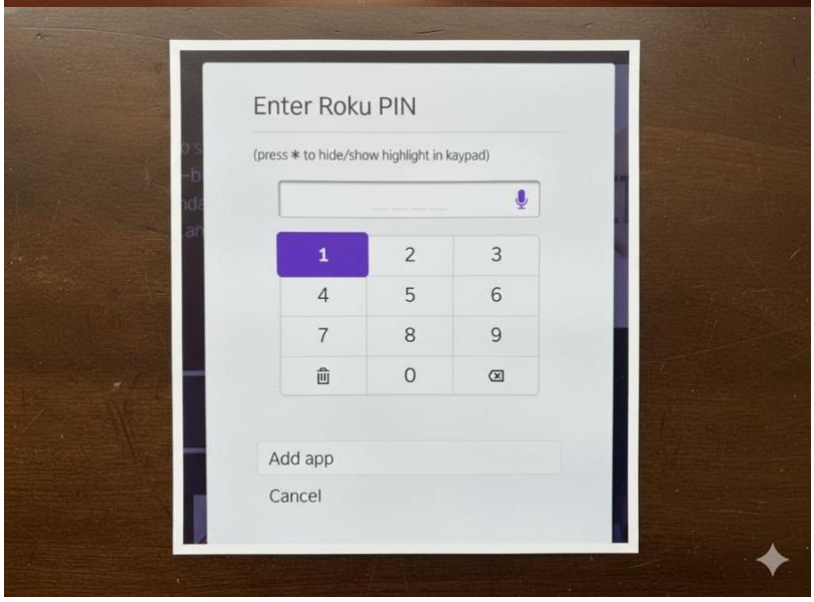
Click on the Freethought TV logo as soon as it appears.

Step Four:

When the app description page comes up, click on **Add app**.

Step Five:

Enter the four-digit PIN from your Roku Account, then click **Add app**.



Step Six:

You'll get a confirmation that the app has been installed, and you'll return to the app description page.

Click **Open app**.

That's it! You're ready to enjoy the best in secular programming!
